**ORDER (A) APPROVING AUCTION AND BID PROCEDURES, INCLUDING BID PROTECTIONS, (B) AUTHORIZING AND SCHEDULING AN AUCTION FOR THE SALE OF THE DEBTORS' ASSETS, AND (C) GRANTING RELATED RELIEF**

[Related to Docket No. 13]

The above-referenced debtors and debtors-in-possession (collectively, the “Debtors”) filed their *Emergency Motion* (the “Bid Procedures and Sale Motion”)<sup>2</sup> (I) for Entry of an Order (A) Approving Auction and Bid Procedures, Including Bid Protections, (B) Authorizing and Scheduling an Auction for the Sale of the Debtors’ Assets, and (C) Granting Related Relief; and (II) for Entry of an Order (A) Approving the Sale of the Debtors’ Assets Free and Clear of All Liens, Claims, Encumbrances, and Interests, (B) Authorizing the Assumption and Assignment of Executory Contracts and Unexpired Leases, and (C) Granting Related Relief. This Order addresses only the request in the Motion for entry of an order approving an auction and bid procedures, including bid protections, authorizing and scheduling an auction for the sale of the Debtor’s assets, and granting related relief (the “Relief Requested”).

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are as follows: Epic Companies, LLC (1473), Epic Diving & Marine Services, LLC (2501), Epic Applied Technologies, LLC (5844), EPIC Specialty Services, LLC (8547), Epic Alabama Steel, LLC (6835), Epic San Francisco Shipyard, LLC (5763) and Zuma Rock Energy Services, LLC (1022). The address of the Debtors’ headquarters is: 1080 Eldridge Parkway, Suite 1300, Houston, Texas 77077.

<sup>2</sup> Except as otherwise provided in this Order, capitalized terms used but not defined herein shall have the meanings ascribed to them in the Motion.

The Court has jurisdiction over the Motion and the Relief Requested in the Motion pursuant to 28 U.S.C. § 1334 and venue is proper in this District pursuant to 11 U.S.C. § 1408. The Motion is a core proceeding pursuant to 28 U.S.C. § 157(b)(2) and the Court may enter a final order on the Motion. The Relief Requested by the Motion related to bid procedures, bid protections, an auction, and related relief is in the best interests of the Debtors, their estates, creditors, stakeholders, and other parties in interest and the Debtors gave sufficient and proper notice of the Motion and related hearings. Upon consideration of the Motion and after hearing and considering all evidence in support of the Motion during proceedings before this Court, the Court finds that good cause exists to grant the Relief Requested.

1. Pursuant to Bankruptcy Rule 7052, made applicable by Bankruptcy Rule 9014, the Court makes the following **FINDINGS OF FACT AND CONCLUSIONS OF LAW**:

- a. With respect to the Relief Requested, notice of the Motion and the hearing was sufficient under the circumstances of this case and complied with all applicable requirements of the Bankruptcy Code, the Bankruptcy Rules, and the Bankruptcy Local Rules. Accordingly, no further notice of the Motion and any related hearings or this Order is necessary or required with respect to the Relief Requested.
- b. Subject to the modifications set forth in this Order and the exhibits hereto, the Bid Procedures were proposed by the Debtors in good faith with the goal of maximizing the value of their assets for the benefit of all creditors of their estates.
- c. The Debtors have demonstrated a compelling and sound business justification both in the Motion and on the record at the hearing for the Court to grant the Relief Requested in the Motion related to the entry of an order approving the Bid Procedures, which justification is incorporated by reference herein.

- d. Entry of this Order is (i) a necessary and appropriate inducement to ensure the Stalking Horse Bidder will continue (1) with its initial offer which serves as a “floor” for bidding at the Auction, and (2) to pursue the Stalking Horse Agreement and consummate the transactions contemplated thereby, and (ii) a condition precedent to closing the transactions contemplated by the Stalking Horse Agreement.
- e. All objections, if any, to the Motion that relate to the entry of an order approving the Bid Procedures that have not been withdrawn, waived, or settled as announced to the Court at the hearing on the Bid Procedures or by stipulation filed with the Court are overruled except as otherwise set forth herein.

**IT IS THEREFORE ORDERED THAT:**

1. Any objections to the Motion that have not been resolved or withdrawn are hereby overruled on the merits. The Bid Procedures, in the form attached to this Order as **Exhibit 1**, are hereby approved and shall be used in connection with the proposed sale of the Assets. The form of Stalking Horse Agreement, attached to this Order as **Exhibit 2**, is hereby approved, solely for the purpose of establishing the stalking horse bid for the Assets, and the Debtors are authorized to enter into the Stalking Horse Agreement. The form of the Auction Notice, attached to this Order as **Exhibit 3**, is hereby approved.

2. The Debtor’s granting of the Bid Protections<sup>3</sup> pursuant to this Order and the Stalking Horse Agreement: (a) are of substantial benefit to the Debtors’ estates and creditors and all parties in interest herein, (b) are fair, reasonable, and appropriate, including in light of the size

---

<sup>3</sup> As used herein, the term “Bid Protections” refers to the Bid Protections defined in the Motion as modified by this Order and the Exhibits hereto.

and nature of the proposed transactions, including the sale of substantially all of the assets of the Debtors, and the substantial efforts that have been and will be expended by the Stalking Horse Bidder, (c) have been negotiated by the parties and their respective advisors at arm's-length and in good faith, and (d) are a material inducement for, and a condition necessary to ensure that, the Stalking Horse Bidder pursues the purchase of substantially all of the assets of the Debtors.

3. No party submitting an offer or a competing Qualified Bid to purchase substantially all of the assets of the Debtors shall be entitled to any expense reimbursement, break-up, termination, or similar fee or payment.

4. The Bid Protections are necessary to maximize the value of the Debtors' estates. Without the Bid Protections, the Stalking Horse Bidder would not pursue the purchase of substantially all of the assets of the Debtors, likely resulting in the Debtors realizing a lower price for such assets.

5. Objections (if any) to approval of a sale to the party submitting the Highest and Best Bid or to approval of a proposed sale of the Purchased Assets,<sup>4</sup> shall be in writing, shall set forth the name of the objecting party, the basis for the objection and the specific grounds therefor, and shall be filed with the Court on or before 5:00 p.m. Central Time on November 8, 2019. For the avoidance of doubt, this includes any objection asserting that such objecting party holds a lien that is senior or *pari passu* to the liens of the Prepetition Senior Agent for the Prepetition Senior Lenders and/or the DIP Agent for the holders of DIP Claims.

6. Any objection not filed and served in accordance with the preceding paragraph shall be deemed waived and shall be forever barred.

---

<sup>4</sup> Notwithstanding any contrary definition in the Motion or any documents or exhibits attached thereto, the term "Purchased Assets" has the meaning set forth in the Stalking Horse Agreement attached hereto as Exhibit 2 and excludes the Excluded Assets listed therein.

7. The failure of any party to file and serve an objection to the sale as ordered and directed herein shall be deemed the consent of such party to the granting of the Motion and the sale and transfer of the Purchased Assets.

8. No later than fourteen (14) days prior to the Sale Hearing, the Debtors will file with the Court and serve on each non-debtor party to an executory contract or unexpired lease a notice setting forth the amount of cure owed thereunder according to the Debtors' books and records (the "Cure Notice"). The Cure Notice shall state the cure amount that the Debtors believe is necessary to assume such contract or lease pursuant to Bankruptcy Code section 365 (the "Cure Amount"), and notify each non-debtor party that such party's lease or contract may be assumed and assigned to the Stalking Horse Bidder or to the Successful Bidder to be identified at the conclusion of the Auction. The form of the Cure Notice, attached to this Order as **Exhibit 4**, is hereby approved.

9. No later than seven (7) days prior to the Sale Hearing, any objection to the Cure Amount must be filed with the Court (the "Cure Objection Deadline"). Any objection to the Cure Amount must state with specificity what cure the non-debtor party to the executory contract or unexpired lease believes is required with appropriate documentation in support thereof. If no objection is timely received, the Cure Amount set forth in the Cure Notice shall be controlling notwithstanding anything to the contrary in any executory contract, unexpired lease or other document as of the date of the Cure Notice; the non-debtor party to the executory contract or unexpired lease shall be deemed to have stipulated that the Cure Amount set forth in the Cure Notice is correct; the non-debtor party shall be forever barred, estopped and enjoined from asserting or claiming that any additional amounts are due or other defaults exist, that conditions to assignment must be satisfied under such contract or lease or that there is any objection or defense to the assumption and assignment of such contract or lease, including any argument that there exist

conditions to assumption and assignment that must be satisfied under such contract or lease or that any required consent to assignment has not been given.

10. The Breakup Fee and Section 10.2 of the Purchase Agreement are hereby approved, authorized, and binding upon the Debtors and their estates in accordance with the DIP Order (but for the avoidance of doubt subject to the Carve-Out (as defined in the DIP Order)). The Debtors' obligation to pay the Breakup Fee shall survive termination of the Stalking Horse Agreement and shall be payable as provided in the Stalking Horse Agreement and the Bid Procedures. The Debtors are authorized and directed to pay the Breakup Fee to the Stalking Horse Bidder in accordance with the terms of and upon satisfaction of the conditions set forth in the Stalking Horse Agreement and the Bid Procedures without further order of the Bankruptcy Court. For the avoidance of doubt, the Stalking Horse Bidder is not entitled to payment of the Breakup Fee unless and until (i) the Debtors accept as the Highest and Best Bid a Qualified Bid of a Qualified Bidder other than the Stalking Horse Bidder for all of the Purchased Assets; (ii) the Court enters a Final Order approving the sale to such other Qualified Bidder; and (iii) the sale closes and payment is received. Notwithstanding anything herein or in the DIP Order to the contrary, the Breakup Fee is not entitled to superpriority administrative-expense status.

11. The Bid Procedures, the Breakup Fee, and the Bid Protections are fair and reasonable, are reasonably calculated to produce the best and highest offers for the Purchased Assets, and will confer actual benefits upon the Debtors' estates. The Bid Procedures and the Bid Protections represent an exercise of the Debtors' sound business judgment and will facilitate an orderly sale process.

12. The Debtors are hereby authorized to execute any additional or supplemental document incident to the relief granted pursuant to this Order.

13. All non-Debtor contract counterparties reserve any and all rights, claims, objections and defenses with respect to any assumption, sale and assignment of such contracts.

14. Notwithstanding Bankruptcy Rules 6004, 6006, or otherwise, this Order shall be effective and enforceable immediately upon entry and its provisions shall be self-executing. To the extent applicable, the stays described in Bankruptcy Rules 6004(h) and 6006(d) are hereby waived.

15. The terms of this Order shall control to the extent of any conflict with the Motion.

**Signed: October 03, 2019.**

**BID PROCEDURES FOR THE SALE OF THE DEBTORS' ASSETS**

On [●], 2019, the United States Bankruptcy Court for the Southern District of Texas (the “Court”) entered the *Order (A) Approving Auction and Bid Procedures, Including Bid Protections, (B) Authorizing And Scheduling An Auction For The Sale Of The Debtors’ Assets; and (C) Granting Related Relief* [Docket No. \_\_\_\_] (the “Bid Procedures Order”),<sup>2</sup> which approved the Bid Procedures set forth herein. Accordingly, these Bid Procedures set forth the process by which the Debtors are authorized to conduct an auction (the “Auction”) for the sale (the “Sale”) of substantially all of the Debtors’ assets.

1. **Assets to be Sold.** The Debtors seek to sell substantially all of their assets, as described in the Stalking Horse Agreement attached to the Bid Procedures Order as **Exhibit 2** (the “Purchased Assets”); except for certain assets excluded as specified in such Stalking Horse Agreement (the “Excluded Assets”).<sup>3</sup>

2. **Free and Clear of Any and All Claims and Interests.** Except as otherwise provided in the Stalking Horse Agreement, or another successful bidder’s purchase agreement, all of the Debtors’ right, title, and interest in and to the Purchased Assets subject thereto shall be sold free and clear of all liens, claims and interests (collectively, the “Encumbrances”) to the maximum extent permitted by Section 363 of the Bankruptcy Code (other than Permitted Encumbrances and

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are as follows: Epic Companies, LLC (1473), Epic Diving & Marine Services, LLC (2501), Epic Applied Technologies, LLC (5844), EPIC Specialty Services, LLC (8547), Epic Alabama Steel, LLC (6835), Epic San Francisco Shipyard, LLC (5763) and Zuma Rock Energy Services, LLC (1022). The address of the Debtors’ headquarters is: 1080 Eldridge Parkway, Suite 1300, Houston, Texas 77077.

Assumed Liabilities), with such Encumbrances to attach to the proceeds of the Sale with the same validity and priority as such Encumbrances applied against the Purchased Assets.

4. **Qualified Bidders and Bid Requirements.** Only Qualified Bidders may participate in the bidding process. Except as otherwise set forth in these Bid Procedures, to become a Qualified Bidder, by the Bid Deadline, a potential bidder must (i) execute and deliver to the Debtors an acceptable confidentiality agreement prepared by the Debtors (such bidder thereafter an “Approved Bidder”), (ii) deposit with the Debtors, in cash, 10% of the bidder’s proposed purchase price on the applicable assets that are the subject of the bidder’s bid (each, “Alternative Bidder’s Deposit”), which deposit shall be refundable as described below; (iii) submit to the Notice Parties an unqualified and binding bid in an amount of total consideration that exceeds the consideration included in the Stalking Horse Agreement for the portion of the Purchased Assets that is the subject of the bidder’s bid by at least \$750,000.00 (provided that, in determining the value of the Bid, the Debtors, in consultation with the Stalking Horse Bidder and the Committee, will not be limited to evaluating the dollar value of the consideration but may also consider other factors including the speed, certainty and value of the proposed transaction), along with an executed written agreement that is substantially identical to the form of the Stalking Horse Agreement with a redline showing any changes from such Stalking Horse Agreement, and (iv) submit to the Debtors financial and other information, including support indicating the availability of funds to satisfy its purchase price, sufficient to allow the Debtors to make a reasonable determination as to such bidder’s ability to consummate a sale as contemplated herein

<sup>4</sup> The “Committee” refers to the Official Committee of Unsecured Creditors appointed by the United States Trustee on or about September 6, 2019.

(each, a “Qualified Bid”). Regardless of whether a potential bidder ultimately becomes an Approved Bidder or submits a Qualified Bid, the Debtors must promptly provide to the Committee the following information: (a) the name and contact information for every party that submits a bid; and (b) the details of their proposed bids.

5. **Due Diligence.** Only Approved Bidders and the Committee shall be eligible to receive due diligence information and access to the Debtors’ electronic data room and to additional non-public information regarding the Debtors. The Debtors will provide to each Approved Bidder and the Committee reasonable due diligence information, as requested by such Approved Bidder or the Committee in writing, as soon as reasonably practicable after such request, and the Debtors shall post all written due diligence provided to any Approved Bidder to the Debtors’ electronic data room, to which the Committee will have complete, unrestricted access. For all Approved Bidders, the due diligence period will end on the Bid Deadline, and subsequent to the expiration of the due diligence period, the Debtors shall have no obligation to furnish any due diligence information. The Debtors shall continue to provide due-diligence and data-room access to the Committee until the Auction has concluded and the Sale has closed.

The Debtors shall not furnish any confidential information relating to the Purchased Assets, liabilities of the Debtors, or the Sale to any person except to (A) an Approved Bidder or to such Approved Bidder’s duly authorized representatives to the extent expressly permitted by the applicable Confidentiality Agreement; and (B) the Committee. The Debtors and their advisors shall coordinate all reasonable requests from Approved Bidders and the Committee for additional information and due diligence access; *provided that* the Debtors may decline to provide such information to Approved Bidders who, at such time and in the Debtors’ reasonable business judgment after consultation with the Stalking Horse Bidder and the Committee, have not established, or who have raised doubt, that such Approved Bidder intends in good faith to, or has the capacity to, consummate the applicable Sale.

The Debtors also reserve the right to withhold any diligence materials from an Approved Bidder that the Debtors determine are sensitive after notifying the Approved Bidder requesting such materials of such determination. Neither the Debtors nor their representatives shall be obligated to furnish information of any kind whatsoever to any person, other than the Committee, that is not determined to be an Approved Bidder in accordance with these Bid Procedures.

6. **Due Diligence from Bidders.** Each Approved Bidder/Qualified Bidder shall comply with all reasonable requests for additional information and due diligence access requested by the Debtors or their advisors regarding the ability of the Approved Bidder/Qualified Bidder to consummate the applicable Sale. Failure by an Approved Bidder/Qualified Bidder to comply with such reasonable requests for additional information and due diligence access may be a basis for the Debtors to determine, with the consent of the Stalking Horse Bidder and the Committee, that such bidder is no longer an Approved Bidder/Qualified Bidder or that a bid made by such Qualified Bidder is not a Qualified Bid.

The Debtors and each of their respective advisors and representatives shall be obligated to maintain in confidence any confidential information in accordance with any applicable Confidentiality Agreement, except as otherwise set forth in these Bid Procedures. Each recipient of confidential information agrees to use, and to instruct its advisors and representatives to use,

such confidential information only in connection with the evaluation of Bids during the bidding process or otherwise in connection with these Chapter 11 Cases or in accordance with the terms of any applicable Confidentiality Agreement.

Notwithstanding the foregoing and the provisions contained in any applicable Confidentiality Agreement, the Debtors and their advisors may disclose confidential information: (i) with the prior written consent of such bidder; (ii) to the applicable bidder; and (iii) as otherwise required or allowed by any applicable confidentiality agreement with respect to a particular bidder or other agreement, law, court or other governmental order, or regulation, including, as appropriate, to regulatory agencies.

7. **Communications with Qualified Bidders.** Notwithstanding anything to the contrary in these Bid Procedures, all direct communications between and amongst Approved Bidders or Qualified Bidders shall involve the Debtors and their advisors. No Approved Bidder shall communicate with any other potential bidder or Approved Bidder absent (i) prior written consent from the Debtors and (ii) advance notice to the Committee.

8. **Notice of Qualified Bidders.** Promptly following the bid deadline, the Debtors shall file a notice with the Court identifying all Qualified Bidders. The Debtors shall serve a copy of the notice and the corresponding bids on all Qualified Bidders by (a) facsimile or electronic mail or (b) overnight delivery.

9. **Stalking Horse Bidder.** The Stalking Horse Agreement shall be deemed a Qualified Bid. The Stalking Horse Bidder is and shall be deemed to be a Qualified Bidder. If no other Qualified Bids are received, the Stalking Horse Bidder shall be deemed the Highest and Best Bid (as defined below) for the Assets, and the Debtors shall seek approval of a sale to the Stalking Horse Bidder on the terms of the Stalking Horse Agreement at the Sale Hearing.

10. **Breakup Fee.** The Debtors shall be authorized and obligated to pay a break-up fee (as defined below) to the Stalking Horse Bidder if (i) the Debtors accept as the Highest and Best Bid a Qualified Bid of a Qualified Bidder other than the Stalking Horse Bidder for all of the Purchased Assets; (ii) the Court enters a Final Order approving the sale to such other Qualified Bidder; and (iii) the sale closes and payment is received. The break-up fee shall be in the amount \$500,000 (the “Breakup Fee”).

11. **Auction.** If one or more timely Qualified Bids are received by the Bid Deadline, an auction for the Purchased Assets will be conducted on November 12, 2019, starting at 10:00 a.m. Central Time at the offices of Porter Hedges LLP, 1000 Main Street, 36th Floor, Houston, Texas 77002. Only Qualified Bidders may participate in the Auction; *provided, however*, that the Committee and its advisors may be present and may participate in any manner other than by bidding on the Purchased Assets. All Qualified Bidders, or their authorized representatives with authority to bind the Qualified Bidder, must be physically present at the Auction. At the commencement of the Auction, the Debtors shall announce the bidding order, which shall be based on various factors including the amount of the Qualified Bidder’s bid (from low to high). Initial Minimum overbid increments at the Auction shall be in the amount of not less than \$250,000.00 cash (the “Initial Minimum Overbid”). Each bid subsequent to the Initial Minimum Overbid shall be in an incremental amount of not less than \$250,000.00. At the Debtors’ discretion, in

consultation with the Stalking Horse Bidder, provided that the Debtors may limit the consultation rights of the Stalking Horse Bidder if it has submitted a bid, and the Committee, the Debtors can change or alter the bidding order, the amount of the Initial Minimum Overbid, or any subsequent overbid amount, and allow or disallow Qualified Bidders to pass in any given round and otherwise conduct the Auction in a way that they believe will maximize value. For the avoidance of doubt, except as set forth herein, the Debtors shall not modify any rights or remedies of the Prepetition Senior Lenders, holders of DIP claims and/or their respective administrative agents as set forth herein or in the Bid Procedures Order, without the consent of the Prepetition Senior Lenders and the holders of DIP claims and their respective administrative agents. All bidding for the Purchased Assets will be concluded at the Auction and there will be no further bidding at the Sale Hearing.

12. **Selection of the Highest and Best Bid.** At the conclusion of the Auction, in consultation with the Stalking Horse Bidder, provided that the Debtors may limit the consultation rights of the Stalking Horse Bidder if it has submitted a bid, and the Committee, the Debtors will announce the highest and/or best Qualified Bid submitted by a Qualified Bidder (the “Successful Bidder”) and the next highest and/or best Qualified Bid (the “Back-Up Bid”) submitted by a Qualified Bidder (the “Backup Bidder”) for each applicable Asset Package. The Debtors will seek approval of the Highest and Best Bid(s) at the Sale Hearing. If for any reason, the Qualified Bidder submitting the Highest and Best Bid fails to timely consummate the purchase of the Purchased Assets, the Debtors may seek to consummate a sale based on the Back-Up Bid without further approval by the Court. A Back-Up Bid and the obligation of the party submitting such bid to consummate the purchase of the Purchased Assets shall remain open and in full force, including with respect to the Alternative Bidder’s Deposit, until the close of a sale of the Purchased Assets to the party making the Highest and Best Bid or the party making the Back-Up Bid.

13. **Sale Hearing.** A hearing to approve a sale based on the Highest and Best Bid shall take place on November 15, 2019, at [●] in Courtroom 400, on the fourth floor of the United States Courthouse, 515 Rusk Street, Houston, Texas 77002.

14. **Deadline to Object to Sale.** All objections to the proposed sale must be filed by November 8, 2019 on or before 5:00 p.m. CT. All objections to the Auction and the selection of the Successful Bidder at the Auction must be filed by November 13, 2019 on or before 5:00 p.m. CT.

15. **Return of Deposits.** Within three (3) business days after the conclusion of the Auction, the Debtors shall return by check or wire the full amount of each Alternative Bidder’s Deposit submitted by a party that is not selected as submitting either the Highest and Best Bid or the Back-Up Bid for the Assets. If the sale of the Purchased Assets is consummated with the party submitting the Highest and Best Bid, the Alternative Bidder’s Deposit of the party that is declared the Back-Up Bid shall be returned by check or wire transfer within three business days after the closing of the sale to the party submitting the Highest and Best Bid.

16. **Right to Credit Bid.** For purposes hereof, the Stalking Horse Bidder shall be deemed to be an Approved Bidder, and its credit bid shall be a Qualified Bid. The Stalking Horse Bidder shall not have to provide a deposit and is deemed an Approved Bidder without making a

deposit. For the avoidance of doubt, subject to the Challenge Deadline in the DIP Order,<sup>5</sup> the Prepetition Senior Agent for the Prepetition Senior Lenders and the DIP Agent for the holders of DIP claims are each authorized to credit bid any portion and up to the entire amount of their respective outstanding secured claims, pursuant to section 363(k) of the Bankruptcy Code including through the Stalking Horse Agreement; *provided, however*, that the Prepetition Senior Agent for the Prepetition Senior Lenders may not credit bid any portion of any prepetition secured claims unless and until the DIP Agent has credit bid the full amount of the DIP claims. Furthermore, subject to the same limitations, such agents are authorized to submit a joint bid (which joint bid may be a credit bid in whole or in part).

17. **Notice of Bid Procedures, Auction, and Sale Hearing.** On the next business day following the entry of the Bid Procedures Order, the Debtors will serve by first-class mail a copy of the Order and a notice containing the date of the Bid Deadline, Auction, the Sale Hearing, and the deadline to file objections to the sale to: (a) the U.S. Trustee; (b) the Debtors' 30 largest unsecured creditors on a consolidated basis; (c) the United States Attorney's Office for the Southern District of Texas; (d) counsel for the Stalking Horse Bidder; (e) the Internal Revenue Service; (f) any party that has requested notice pursuant to Bankruptcy Rule 2002 as of the time of service; and (g) any party required to be served under Bankruptcy Local Rule 9013-1(d); (h) any party known to have asserted a Lien on the Purchased Assets; and (i) all known affected federal, state, and local regulatory, and taxing authorities. Such notice shall be sufficient and proper notice of the sale with respect to known interested parties.

to which an appeal from the Bankruptcy Court may be validly taken or (b) in the event the Bankruptcy Case is closed, or if the Bankruptcy Court is unwilling or unable to hear such action, in the New York State Supreme Courts and any state court sitting in the State of New York to which an appeal from the New York State Supreme Court may be validly taken ((a) and (b), the “Chosen Courts”), and each of the Parties hereby irrevocably submits to the exclusive jurisdiction of the Chosen Courts for itself and with respect to its property, generally and unconditionally, with regard to any such action arising out of or relating to this Agreement and the transactions contemplated hereby. Each of the Parties agrees not to commence any action relating thereto except in the Chosen Courts, other than actions in any court of competent jurisdiction to enforce any judgment, decree or award rendered by any Chosen Court, and no Party will file a motion to dismiss any action filed in a Chosen Court on any jurisdictional or venue-related grounds, including the doctrine of *forum non-conveniens*. The Parties irrevocably agree that venue would be proper in any of the Chosen Courts, and hereby irrevocably waive any objection that any such court is an improper or inconvenient forum for the resolution of such action. Nothing in this Agreement will affect the right of any Party to this Agreement to serve process in any manner permitted by Law.

Section 12.5 Governing Law; WAIVER OF JURY TRIAL.

(a) Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement, and any action that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance of this Agreement or the transactions contemplated hereby will be governed by and construed in accordance with the internal Laws of the State of New York applicable to agreements executed and performed entirely within such State without regards to conflicts of law principles of the State of New York or any other jurisdiction that would cause the Laws of any jurisdiction other than the State of New York to apply.

(b) EACH PARTY HEREBY WAIVES, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, TRIAL BY JURY IN ANY PROCEEDING IN ANY COURT WITH RESPECT TO, IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT, OR THE VALIDITY, PROTECTION, INTERPRETATION, COLLECTION OR ENFORCEMENT THEREOF, WHETHER PURPORTING TO BE AT LAW OR IN EQUITY, AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE.

Section 12.6 Counterparts. This Agreement may be executed and delivered in two or more counterparts, and by the different Parties in separate counterparts, each of which when executed and delivered shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Exchange and delivery of this Agreement by exchange of facsimile copies or other electronic copies bearing the signature (which may be an electronic signature) of a Party shall constitute a valid and binding execution and delivery of this Agreement by such Party. Such facsimile or other electronic copies shall constitute legally enforceable original documents.

Section 12.7 Assignment; Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned or delegated by any of the Parties (whether by merger, operation of Law or otherwise) without the prior written consent of the other Parties and any purported assignment or delegation in violation of this Section 12.7 shall be void; provided that, the Buyer may, without the prior written consent of the other Parties, assign and delegate any of its rights and obligations hereunder to any Affiliate or any acquirer of the Buyer or all or substantially all of its Assets or business. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of and be enforceable by the Parties and their respective successors and assigns, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement other than each of the Alliance Indemnified Parties (as defined in the

Indemnification Agreement) pursuant to the Indemnification Agreement. Each Party agrees that the rights and remedies of the Alliance Indemnified Parties pursuant to the Indemnification Agreement are intended for benefit of such Persons and may be enforced by such Persons in accordance with the Indemnification Agreement.

Section 12.8 Tax Matters.

(a) The Buyer and the Sellers shall cooperate, as and to the extent reasonably requested by any other party, in connection with the filing of Tax Returns for period prior to the Closing Date and any audit, litigation, or other proceeding with respect to Taxes. The Buyer acknowledges that the Buyer shall be responsible for all Taxes imposed with respect to the Purchased Assets for any period (or portion of any period) commencing on or after the Closing Date.

(b) Any sales, use, purchase, transfer, franchise, deed, fixed asset, stamp, documentary stamp, use or similar fees or other Taxes, governmental charges and recording charges (including any interest and penalty thereon) which may be payable by reason of the sale of the Purchased Assets or the Debt Assumption under this Agreement or the transactions contemplated hereby (the “**Transfer Taxes**”) shall be borne by the Buyer, but only to the extent not exempt under the Bankruptcy Code, as applicable to the transfer of the Purchased Assets pursuant to this Agreement. The Parties agree that Sellers are not licensed dealers in used equipment. Accordingly, the Parties expect that the sale of the Purchased Assets will constitute an “occasional sale of used equipment”, as defined by Louisiana tax laws and other applicable laws, and consequently will be exempt from sales tax.

Section 12.9 Amendment; Waiver.

(a) No amendment, supplement or modification of this Agreement shall be effective unless in writing signed by the Buyer and the Sellers.

(b) Any failure by any Party to comply with any obligation, covenant, agreement or condition herein may be waived by the Party entitled to the benefits thereof only by a written instrument signed by the Party granting such waiver, but such waiver or failure to insist upon strict compliance with such obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure to comply.

Section 12.10 Entire Agreement. The Schedules and Exhibits attached hereto are hereby incorporated by reference into this Agreement and made a part hereof. This Agreement (including the Exhibits and the other Schedules attached hereto) and the other Transaction Documents contain the entire agreement among the Parties with respect to their subject matter and supersede all prior and contemporaneous agreements, understandings and negotiations, both written and oral, among the Parties with respect to such subject matter hereof.

Section 12.11 Cooperation on Other Matters.

(a) The Buyer agrees to retain possession of all files and records delivered to the Buyer by the Sellers for a period of at least three (3) years from the Closing Date. In addition, from and after the Closing Date, the Buyer agrees that it will provide access to the Sellers, the Committee and their respective attorneys, accountants and other professionals and representatives (after reasonable notice and during normal business hours) to the Buyer’s personnel and to such files and records as the Sellers or the Committee may reasonably deem necessary to (i) properly prepare for, file, prove, answer, prosecute or defend any such return, filing, audit, protest, claim, suit, inquiry or other proceeding, (ii) resolve any claim

against the Sellers, or (iii) facilitate the administration of the Bankruptcy Case and other administrative activities. The Buyer shall not dispose of any such documents and records except as shall be consistent with applicable law

(b) The Buyer shall render all reasonable assistance that the Sellers or Committee may reasonably request, at no cost to the Sellers or the Committee (provided, the Buyer shall not be required to incur unreimbursed out of pocket expenses to third parties to provide such assistance), in (a) bringing or defending litigation or claims and/or (b) facilitating the administration of the Bankruptcy Case and other administrative activities, and shall make available to the Sellers and the Committee, for and at reasonable times, the Buyer's personnel most knowledgeable about the matter in question. Any other provision of this Agreement notwithstanding, the Sellers' rights under this Section 12.11 are fully assignable by the Sellers to any estate representative, including without limitation an official committee, trustee, liquidating trust, litigation trust or similar Person empowered by the Bankruptcy Court or applicable law to discharge any administrative rights or duties in the Bankruptcy Case.

Section 12.12 Non-Survival of Representations and Warranties and Certain Covenants. Each of the representations and warranties and the covenants and agreements (to the extent such covenant or agreement contemplates or requires performance by such party prior to the Closing) of the Parties set forth in this Agreement or in any other document contemplated hereby, or in any certificate delivered hereunder or thereunder, will terminate effective immediately as of the Closing such that no claim for breach of any such representation, warranty, covenant or agreement, detrimental reliance or other right or remedy (whether in contract, in tort or at law or in equity) may be brought with respect thereto after the Closing. Each covenant and agreement that explicitly contemplates performance after the Closing, will, in each case and to such extent, expressly survive the Closing in accordance with its terms, and nothing in this Section 12.12 will be deemed to limit any rights or remedies of any Person for breach of any such surviving covenant or agreement. Buyer and the Sellers acknowledge and agree that the agreements contained in this Section 12.12, (a) require performance after the Closing to the maximum extent permitted by applicable Law and (b) are an integral part of the transactions contemplated hereby and that, without the agreements set forth in this Section 12.12 none of the Parties would enter into this Agreement.
